Drive Up Outdoor
Wireless Internet Access
April 21, 2020

Legend

- ▶ Outdoor Wireless Access Point
- Region Of Reliable Wireless Coverage*

**Wireless access is not guaranteed. Areas closest to the wireless access points with unobstructed views will have better signal than areas obstructed by trees, poles, other vehicles, and areas farther away. All Internet activity is filtered and recorded for CIPA compliance. Student school devices should connect automatically to the PISD-Chromebook network.*
