

Continuity of Services Plan

Ponder ISD will ensure continuity of services to address students' academic needs and student's and staff social, emotional, mental health and other needs, by implementing the following:

- ❖ ***Coordinator of Mental Health-*** Provide support for staff & student's social & emotional health/needs
- ❖ ***Edgenuity-*** Academic curriculum to assist in credit recovery
- ❖ ***Academic Interventionist-*** Through the use of data analysis tools, interventionists will target students to provide intentional support to improve their academic progress.
- ❖ ***Learning Labs/Sylvan-*** Provide key academic supports to assist students in making academic progress.
- ❖ ***Summit K12-*** Science program that provides targeted instruction for 5th & 8th grade science.
- ❖ ***Secondary Nurse-*** Provide health support for staff & students
- ❖ ***Director of Student Services-*** Will assist in overseeing academic programming at all campuses to assist students in making academic progress
- ❖ ***Rhithm-*** Rhithm is a K12 student and staff wellness check-in tool. It will be implemented with all students and staff K-12.
